

Counting Backwards Poems 1975 - 2017: A Journey through Helen Dunmore's Literary Evolution

If there's one poet whose work captivates readers with its profound imagery, emotional depth, and lyrical beauty, it's Helen Dunmore. From her earliest collection in 1975 to her final publication in 2017, Dunmore's poems take us on a mesmerizing journey through time and space, touching our souls and leaving an indelible mark on the literary world.

Throughout her career, Dunmore crafted poems that explore a range of themes, such as nature, love, loss, and human experiences. With vivid language and keen observation, she transports us into her poetic universe, inviting us to contemplate the mysteries of life and our place within it.

One of the most remarkable aspects of Dunmore's poetry is her ability to create a sense of timelessness. Whether she's describing a fleeting moment or delving into the depths of history, her words resonate with a power that transcends the boundaries of time. Her poems often have a haunting quality, as if they exist in a liminal space between the past and the present, between reality and the ethereal.

Furthermore, Dunmore employs various poetic techniques to convey her messages and emotions. She experiments with forms, rhythms, and structures, always pushing the boundaries of conventional poetry. From sonnets to free verse, her mastery of form allows her to express herself with precision and elegance.

One of the defining features of Dunmore's poetry is her unique voice. With each collection, we witness her growth as a writer, as she delves deeper into her creative well and refines her craft. Her early poems are infused with a youthful energy and a sense of exploration, while her later works showcase a maturity and wisdom acquired through a lifetime of experiences.

While exploring Dunmore's collections, it's impossible not to be struck by the richness of her imagery. Her metaphors and similes bring her poems to life, painting vivid pictures in the minds of her readers. Whether she's describing a solitary bird soaring through the sky or the unwritten tales hidden within ancient ruins, her words create a symphony of sensory experiences.

Moreover, Dunmore's poetry is deeply rooted in the natural world. She possesses an extraordinary ability to capture the essence of nature, evoking its beauty, its power, and its delicate balance. Through her poems,

she reminds us of the interconnectedness of all living beings and the importance of preserving our fragile planet.

As we journey through Dunmore's collections, we witness not only her personal growth but also her engagement with the world around her. Her poems are often deeply political, shedding light on social injustices and advocating for change. She reminds us of the power of language and the responsibility of writers to speak out against oppression.

Winner of the Costa Book of the Year for her final collection, *Inside the Wave*, Helen Dunmore was as spellbinding a storyteller in her poetry as in her prose. Many of her haunting narratives draw us into darkness, engaging our fears and hopes in poetry of rare luminosity, while all her poetry also casts a bright, revealing light on the living world, by land and sea, on love, longing and loss. *Counting Backwards* is a retrospective covering ten collections written over four decades, bringing together all the poems she included in her earlier selection, *Out of the Blue* (2001), with all those from her three later collections, *Glad of These Times* (2007), *The Malarkey* (2012) and *Inside the Wave* (2017), along with a number of additional poems from her earlier collections.
