“I would gladly worship at her alter, like the underserving sinner I knew I was.”

Lily

I have a plan for my life, and it doesn't include falling in love.

But that's the thing about making plans.

They have a way of going awry at the most unexpected time.

I should know that better than anyone.

One look at Dereck Anderson has obliterated my plan into nothing more than dust.

He is an anomaly I'm not prepared for, a temptation I can't resist, and an addiction I should have stayed far away from.

One hit and I'm hooked.

There's no way to get out of this.

There is only one problem, though.

He's my boss.

Dereck

I am a man in control of my emotions.

Or, at least, I have thought so.

One look at Lily Winthrop destroys all of my carefully crafted discipline into nothing more than dust.

I want her.

I want her from the first moment I lay eyes on her in that bar.

I want her with the desperate urgency a man like me shouldn't have.

Love at first sight?

I have thought that was a lie.

Yet, I have been struck by the thunderbolt.

Lily is mine, no matter what.

This is a short novella with a guaranteed HEA. It is a part of the Dirty Series but can be read as a standalone.
