A witty, charming fantasy adventure starring Greta Helsing, doctor to the undead, whose family has been keeping the supernatural community not-alive and well for generations.

When Greta Helsing, doctor to the undead, is unexpectedly called to Paris to present at a medical conference, she expects nothing more exciting than professional discourse on zombie reconstructive surgery and skin disease in bogeymen—and hopefully at least one uneventful night at the Opera.

Unfortunately for Greta, Paris happens to be infested with a coven of vampires -- and not the civilized kind. If she hopes to survive, Greta must navigate the darkest corners of the City of Lights, the maze of ancient catacombs and mine-tunnels underneath the streets, where there is more to find than simply dead men's bones.

Praise for the Dr. Greta Helsing Novels:

"An exceptional and delightful debut, in the tradition of *Good Omens* and *A Night in the Lonesome October*."—Elizabeth Bear, Hugo-award winning author

"Shaw balances an agile mystery with a pitch-perfect, droll narrative and cast of lovable misfit characters. These are not your mother's Dracula or demons." — Shelf Awareness
