The #1 New York Times bestselling author of Verity and Regretting You delivers another breathtaking romance with a magnetic suspense that will keep you glued to the pages.

Life and a dismal last name are the only two things Beyah's parents ever gave her. After carving her path all on her own, Beyah is well on her way to bigger and better things, thanks to no one but herself. With only two short months separating her from the future she's built and the past she

desperately wants to leave behind, an unexpected death leaves Beyah with no place to go during the interim.

Forced to reach out to her last resort, Beyah has to spend the remainder of her summer on a peninsula in Texas with a father she barely knows. Beyah's plan is to keep her head down and let the summer slip by seamlessly, but her new neighbor Samson throws a wrench in that plan.

Samson and Beyah have nothing in common on the surface. She comes from a life of poverty and neglect; he comes from a family of wealth and privilege. But one thing they do have in common is that they're both drawn to sad things. Which means they're drawn to each other.

With an almost immediate connection too intense for them to continue denying, Beyah and Samson agree to stay in the shallow end of a summer fling. What Beyah doesn't realize is that a rip current is coming, and it's about to drag her heart out to sea.

"This book deserves a whole galaxy of stars, but alas, five is all I can give."
