A heart-shattering loss leads to a reality-shattering discovery . . .

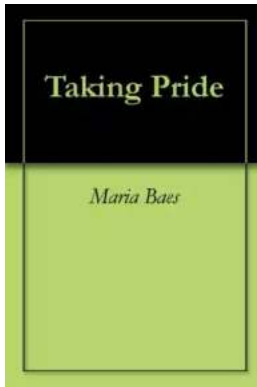

Every bureaucracy has a rhythm, even the Department of Extraterrestrial and Alien Defense (D.E.A.D.). Dr. Greg Schorn has gotten used to that rhythm: go on assignment, take down a government-created alien hybrid, write up a report, rinse and repeat.

But everything is about to change: Mitch, solid, dependable, downright boring Mitch, has secret.

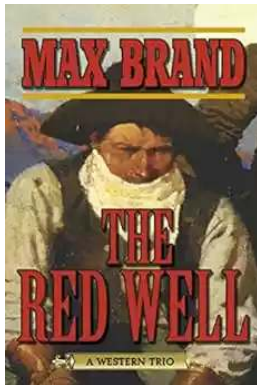

A secret that is about to come into the light.

A secret that will blow apart Greg Schorn's world . . .
