"This is what New Adult was meant to be. All the angst and swoon mixed with a brilliant storyline. I couldn't put it down." - Abbi Glines, #1 New York Times Bestselling Author

From New York Times Bestselling Author, J. Sterling, comes another smash hit in the college romance department!

They say once a player, always a player. And Nick Fisher is definitely a player. You can't really blame him though, with the way girls follow him around and flock to him at parties. He's always in high demand and rarely seen alone.

This fact should have me running as far away from him as possible, but it doesn't. I want to be immune to his deep blue eyes, but once he sets them on me, I'm done for and we both know it.

They say the right girl can make a guy change his player ways. I guess I'm about to find out.

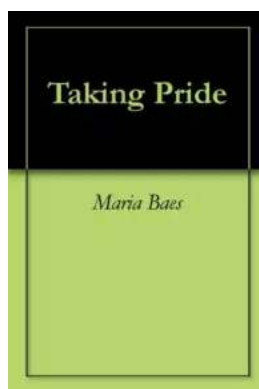

THE FISHER BROTHERS is a series of stand alone romance novels that can be read in any order! :)
