Be prepared to immerse yourself in a realm where language takes on new dimensions and emotions are set free in the vastness of the sea. Unleash your creativity, connect with like-minded individuals, and experience the magic that lies within the power of words.

Leave your worries by the shore line,
And run your bare feet through the sand,
Let the water be a soft bed,
When you cannot bear to stand,
Make friends with flying seagulls,
And hold the sun up on your palm,
Before you duck beneath the water,
Where the world is mute and calm,
Tell the fish all of your problems,
As they all come swimming past,
When your lungs are close to bursting,
Swim above the waves and gasp,
Let the water hold your sadness,
And wash it right out to the sea,
So like a message in a bottle,
All your worries are set free,
And the sea might make you feel alone,
But the world has troubles too,
For how else do you suppose,
That the ocean got so blue?
