

Seven Diners Seven Nights: An Aspie Girl in Massachusetts Diner Short Story

The Beginning of an Unexpected Adventure

Once upon a time, in a small town in Massachusetts, there lived a young girl named Emma. Emma was a spirited and imaginative teenager, but

what set her apart from her peers was her Asperger's syndrome, an autism spectrum disorder. Despite the daily challenges she faced due to her condition, Emma's love for diners always brought a sense of comfort and familiarity.

Discovering the Charm of Diners

Emma's fascination with diners started when she was just a little girl. The warm and inviting atmosphere, the comforting smell of freshly brewed coffee, and the sound of clinking dishes all combined to create a unique and magical ambiance. It became Emma's mission to explore the various diners of Massachusetts and experience their individual charms.

Seven Nights, Seven Diners

Equipped with her trusty notebook and pen, Emma embarked on her adventure to visit seven different diners in seven consecutive nights. Each

diner had its own story and architectural beauty, and she was determined to capture the essence of each unforgettable experience.

The First Night: The Retro Diner

On her first night, Emma found herself in a charming retro diner called "The Milky Way." The walls were adorned with vintage posters, and the jukebox played tunes from the 50s. As she savored a classic cheeseburger and milkshake, Emma was transported back in time, feeling as if she were a character in a Grease-like movie.

The Second Night: The Art Deco Diner

Next, Emma visited "The Golden Spoon," an elegant art deco diner with sleek lines and chrome accents. The vibrant red booths and polished floors exuded a certain glamour that made Emma feel as if she were having dinner with Gatsby himself. The walls were adorned with impressive paintings, making it a visual feast for her artistic soul.

The Third Night: The Small-town Gem

Emma stumbled upon a hidden gem on her third night: "The Sunrise Cafe," a cozy diner nestled in the heart of a small town. The locals welcomed her with open arms, sharing stories of the town's history and their personal connections to the diner. Emma couldn't help but feel a sense of belonging as she indulged in delicious homemade pies.

The Fourth Night: The Quirky Spot

"The Quirky Spoon," as the name suggests, was a truly unique diner. The walls were filled with peculiar artifacts, strange trinkets, and mismatched chairs. Emma found herself lost in a world of curiosities as she ordered a

surprise dish created by the imaginative chef. Each bite was an explosion of flavors that delighted her taste buds.

The Fifth Night: The Seaside Retreat

As Emma journeyed closer to the coast, she encountered "The Seaside Oasis," a diner perched on a cliff overlooking the ocean. The panoramic view was breathtaking, and the sound of crashing waves provided a mesmerizing symphony. Emma enjoyed a seafood feast, feeling a sense of calm and freedom as the salty breeze brushed against her face.

The Sixth Night: The Rustic Haven

Driving through picturesque countryside, Emma stumbled upon "The Country Junction," a charming rustic diner surrounded by rolling hills and vibrant wildflowers. The wooden interior, adorned with vintage mugs and hanging plants, evoked a sense of tranquility. Emma ordered a comforting homemade chicken pot pie, savoring every bite as she soaked in the beauty of nature.

The Seventh Night: The Grand Finale

On her final night, Emma arrived at "The Majestic Diner," an architectural masterpiece with intricate stained glass windows and a majestic chandelier. As she sat beneath the grandeur, Emma reflected on her incredible journey, finding comfort in the knowledge that diners had become her sanctuary. She ordered a celebratory feast fit for a princess, embracing the sense of accomplishment that filled her heart.

An Unexpected Transformation

As Emma's adventure came to an end, she realized that her journey had transformed her in unexpected ways. The diners had not only provided her solace and joy but had also helped her develop a stronger understanding of others. Through conversations with diverse individuals, Emma learned to appreciate different perspectives and embrace the beauty of human connections.

Sharing Her Story

Emma decided to compile her experiences into a book, titled "Seven Diners Seven Nights: An Aspie Girl's Journey." By sharing her story, she hoped to inspire others to chase their passions and find solace in the simplest of places. Emma's book became a bestseller, touching the hearts of readers from all walks of life.

The End of One Chapter, the Beginning of Many More

As Emma embarked on new adventures, she carried the lessons and memories of her time in the Massachusetts diners. Her love for diners remained unwavering, and she continued to explore different diners across the country, weaving stories of connection, resilience, and the beauty of unexpected journeys.

* * *

Seven Diners, Seven Nights is the seventh book in the Diner Short Story Mysteries series. These short stories are about 15-20 pages each and feature authentic diners around Massachusetts. Author Lisa Shea goes to each diner personally to write up its sights, sounds, and aromas. That way you, the reader, can take a virtual vacation to these historic locations! Visit Lisa's webpages to see photos and write-ups of the diners. All of the Diner Mystery series contain no violence, no swearing, and no intimacy, so they are suitable for teens and up.

You can read the books one-by-one as they are released, or you can wait for the boxed sets to be published once the series gets enough books in it. It's your choice! I try to write them right after I visit, so that's why there are sometimes gaps in the release schedule. It's not always easy to get to a diner when they're open!

A portion of all proceeds benefits battered women's shelters.
