

The Atlantis Gene Thriller: The Origin Mystery | Uncovering the Secrets of Our Ancient Past Like Never Before!

Do you believe in ancient civilizations, lost realms, and the hidden mysteries of our past? If so, prepare yourself for a heart-pounding adventure with "The Atlantis Gene Thriller: The Origin Mystery" trilogy. Written by A.G. Riddle, this captivating epic takes readers on a journey to unlock the secrets of our ancient world.

The trilogy, composed of "The Atlantis Gene," "The Atlantis Plague," and "The Atlantis World," combines elements of science fiction, historical fiction, and mystery into an unforgettable narrative. It intertwines real-world scientific theories, legends, and myths with an imaginative storyline that will keep you on the edge of your seat.

The Plot: A Glimpse into a Frightening Future

In the near future, humanity faces a catastrophic threat. Dr. Kate Warner, a brilliant geneticist, becomes entangled in a web of mysteries as a global pandemic breaks out. Unbeknownst to her, the key to saving humanity lies hidden within her own DNA.

As the story unfolds, Dr. Warner discovers a series of clues that lead her to believe that the root cause of the apocalypse lies in the distant past, specifically Atlantis. She embarks on a perilous quest to find answers, battling against powerful adversaries who will stop at nothing to protect the secrets of Atlantis.

The Origin Mystery: Unlocking the Secrets of Our Past

Throughout the trilogy, readers dive into ancient civilizations, decipher ancient codes, and unravel the enigmatic history of our world. Riddle masterfully weaves together historical events, scientific theories, and legendary tales to create an intricate tapestry that challenges the very foundation of our understanding of human history.

From the lost city of Atlantis to the Egyptian pyramids, "The Atlantis Gene Thriller: The Origin Mystery" takes readers on a whirlwind tour through time, connecting the dots between past and present. The narrative raises thought-provoking questions about our origins, the nature of humanity, and the potential consequences of unlocking the secrets hidden within our DNA.

A.G. Riddle: A Master Storyteller

A.G. Riddle's storytelling prowess shines through in "The Atlantis Gene Thriller: The Origin Mystery" trilogy. With meticulous attention to detail, Riddle crafts complex characters, intricate plot twists, and thoughtfully explores the depths of human nature.

With his background in science, Riddle brings a level of authenticity to the narrative, integrating real scientific concepts and historical events seamlessly. This approach not only captivates readers but also sparks their curiosity, encouraging them to delve further into the fascinating subjects explored in the books.

Why You Should Read "The Atlantis Gene Thriller: The Origin Mystery" Trilogy

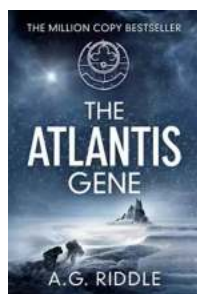

1. An Epic Adventure: Prepare for an adrenaline-fueled journey spanning centuries and continents. Brace yourself for unexpected twists, heart-pounding action, and mind-bending discoveries that will leave you breathless.

2. Unravel Ancient Secrets: Have you ever wondered about the truth behind the legends? "The Atlantis Gene Thriller: The Origin Mystery" offers a fresh perspective on the mysteries shrouding ancient civilizations, providing thrilling insights into our enigmatic past.

3. Well-Researched Worldbuilding: A.G. Riddle's meticulous research brings a level of authenticity that immerses readers in the story. The intricate connections between science, history, and mythology create an enthralling reading experience.

"The Atlantis Gene Thriller: The Origin Mystery" is a gripping trilogy that combines heart-stopping action, historical intrigue, and thought-provoking concepts. A.G. Riddle's masterful storytelling invites readers on an unforgettable journey, challenging their perceptions of the past while keeping them engrossed until the final page.

If you're ready to embark on an epic adventure, uncover ancient secrets, and question everything you know about human history, then "The Atlantis Gene Thriller: The Origin Mystery" is a must-read. Immerse yourself in this enthralling trilogy and unlock the secrets of our ancient past like never before!

Experience the first book in A.G. Riddle's groundbreaking Origin Mystery Trilogy—the series that has been translated in 24 languages and sold over **THREE MILLION COPIES** worldwide.

In Antarctica, a research expedition discovers an ancient structure buried deep in the ice.

In Indonesia, a genetics researcher identifies a breakthrough treatment for autism.

But these two incredible discoveries aren't what they seem. They will set off a race to unravel the deepest secrets of human existence—the true history of human origins. And an event that could change humanity forever.

Selected Praise for A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."

—The Guardian on Pandemic

"I finished the book fast because I just couldn't wait..."

—WIRED GeekDad on Departure

"Riddle... keep(s) the focus on his characters... rather than the technological marvels"

—Publisher's Weekly on Departure

"Well-constructed and tightly-wound as a fine Swiss watch—DEPARTURE has non-stop action, an engaging plot and, of course, wheels within wheels."

—Diana Gabaldon, #1 New York Times bestselling author of Outlander
