

The Extinction Trials Riddle: An Escape to a World of Mystery and Danger

In the realm of young adult dystopian novels, the genre is thriving with countless captivating stories that transport readers into unique and thrilling worlds. One such novel that has captured the hearts of both teenagers and adults alike is "The Extinction Trials Riddle." With its intricate plot, well-developed characters, and heart-pounding adventures, this book offers an immersive reading experience that will surely leave you wanting more.

From the incredible imagination of author S.M. Wilson, "The Extinction Trials Riddle" follows the journey of two courageous protagonists, Stormchaser and Lincoln. In the dystopian land of Earthasia, where humanity is on the verge of extinction due to an environmental catastrophe, the government devises a plan known as the Extinction Trials to secure a safer future.

The Extinction Trials consist of expeditions to the dinosaur-infested jungles on the remote island of Pistoria, where humans must face deadly creatures in a bid to retrieve valuable DNA samples. These samples hold the key to potentially saving humanity from the brink of annihilation.

Stormchaser and Lincoln, eager to prove their worth and secure a better future for their loved ones, volunteer for the trials. As they navigate the treacherous landscapes, they encounter unimaginable dangers, unexpected alliances, and secrets that could shatter everything they know.

Characters Who Steal the Show

S.M. Wilson has crafted a cast of characters that will stay with you long after you've turned the last page. Stormchaser, with her resilience and determination, is a force to be reckoned with. Her unwavering bravery and loyalty to her sister are admirable traits that will resonate with readers. Lincoln, on the other hand, grapples with his own demons while striving to protect those closest to him.

Together, Stormchaser and Lincoln complement each other's strengths, forming a unique bond that helps them navigate the perilous trials. Their personal journeys in dealing with loss, trust, and self-discovery add depth to their characters, making them relatable and captivating.

A World of Mystery and Danger

Piloria, the dinosaur-infested island, sets the stage for a thrilling adventure. The vivid descriptions of the lush jungles, towering dinosaurs, and hidden secrets make you feel as though you're right there alongside Stormchaser and Lincoln. Wilson's attention to detail creates an immersive and atmospheric world, adding an extra layer of excitement to the story.

From heart-stopping moments of narrow escapes to pulse-pounding encounters with deadly creatures, "The Extinction Trials Riddle" keeps readers on the edge of their seats. The constant sense of danger and the unknown serves as a driving force, keeping the plot engaging and ensuring you won't be able to put the book down.

The Riddle that Unravels Everything

As Stormchaser and Lincoln progress through the trials, they stumble upon a mystery that threatens to unravel the fabric of their world. The riddle they uncover holds the key to more than just their survival—it could potentially alter the course of humanity's future. Their relentless pursuit to solve the riddle while battling against time and the harsh elements of Pyloria adds an exciting layer of suspense to the story.

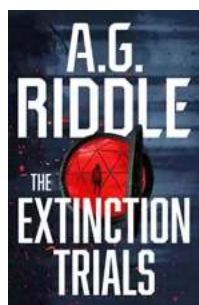

The intricate plot of "The Extinction Trials Riddle" will keep you guessing until the very end. Containing unexpected twists, shocking revelations, and thought-provoking themes, this novel transcends the typical dystopian fare, making it a standout addition to the genre.

A Must-Read for Dystopian Novel Enthusiasts

For fans of dystopian novels, "The Extinction Trials Riddle" is a must-read. Its unique blend of adventure, mystery, and well-developed characters sets it apart from others in the genre. S.M. Wilson's compelling storytelling and ability to immerse readers in a world filled with danger and intrigue make for an unforgettable reading experience.

From A.G. Riddle, the worldwide bestselling author of *The Atlantis Gene*, *Departure*, and *Winter World*, comes an epic standalone novel with a twist you'll never forget.

After a mysterious global event known only as “The Change,” six strangers wake up in an underground research facility. They soon learn that they’re part of the Extinction Trials—a scientific experiment to restart the human race.

But the Extinction Trials hides a very big secret.

And so does the world outside.

Selected Praise for A.G. Riddle

“...reads like a superior collaboration between Dan Brown and Michael Crichton.”

—The Guardian on Pandemic

“I finished the book fast because I just couldn’t wait...”

—WIRED GeekDad on Departure

“Riddle... keep(s) the focus on his characters... rather than the technological marvels”

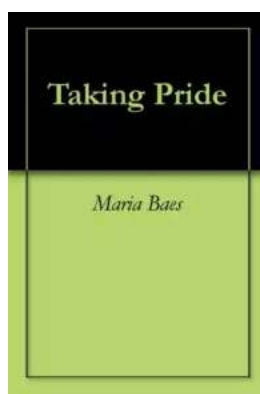

—Publisher’s Weekly on Departure

“This is apocalyptic sci-fi at its best.”

—Daily Mail on The Solar War

“Well-constructed and tightly-wound as a fine Swiss watch—DEPARTURE has non-stop action, an engaging plot and, of course, wheels within wheels.”

—Diana Gabaldon, #1 New York Times bestselling author of Outlander
