“The writer M.Z. Sereda is not only a fellow Professional Artist but one of my best’s of friends. This novel The Gift of Fire was introduced to me quite a few years back from “Mattie”, that’s how I call him, and the book was brilliant then but there really wasn’t much of a market for publishing. However, today with the onset of Transgender awareness through webmedia, television networks, and print media his book is at the right time for release. M.Z. Sereda is a thoughtful writer paying attention to the emotional turns and journeys of this new Transgender culture emerging with pride in our society. Love the book and so will you. Proud of you Matt”
