## Three complete novels in the Sam Reilly thriller series!

### The Hunt for Excalibur

On March 11, 2011, the Japanese fishing trawler, Hoshi Maru accidentally hauled up something deadly into its live-fish hold. The crew, having discovered their mistake, raced toward the harbor in the hope that they might survive.

They never made it.

Presumed sunk by the tsunami that ravaged the coastline of Japan, its crew were declared dead.

Seven years later, the shipwreck washed up on Cannon Beach, Oregon. By the time the US Department of Fish and Wildlife arrived to investigate, people in the nearby towns had started to die in terrifying and inexplicable ways.

Sam Reilly will need to discover what really happened on board the Hoshi Maru – and why all clues point to the Legend of King Arthur...

## Ghost Ship

In the dead of night, a decrepit, unmarked motor yacht drifts into the medieval port of Vernazza, Italy.

The run-down vessel forms a jarring contrast to the pastel colored tower homes and terraced vineyards surrounding the natural harbor along the coast of Cinque Terre.

Less than fifty yards away, a man wakes up on board a small rowboat, covered in blood.

Lying next to him is a woman with two – execution style – bullet holes to her forehead.

In his right hand he holds a small suitcase. Tucked into his pocket is a Russian built Makarov semiautomatic handgun – with two rounds missing.

The man asks himself one question: Who am I?

## The Tomb of El Dorado

A city cloaked in a legend too fanciful to be true.

An ancient tribe, who has vowed to protect their gods until the end of time.

A shipwreck scattered with gold, and drawings of a mythical beast.

Sam Reilly is on the hunt to find an ancient tomb, before El Dorado is lost forever...
