Unveiling the Secrets of The Long Winter Trilogy

The Long Winter Trilogy is a masterfully crafted dystopian series that transports readers to a post-apocalyptic world devastated by a cataclysmic event. During this dark age, survivors must confront not only external threats but also the internal demons that arise from a relentless fight for survival.

Throughout the trilogy, the author expertly weaves together action, emotion, and philosophical undertones to explore themes of resilience, hope, and the human spirit's indomitable nature in the face of overwhelming adversity. Each book delves deeper into the lives of the characters, revealing their fears, hopes, and the sacrifices they make to protect what they hold dear.

Complex Characters and Their Personal Journeys

The characters in The Long Winter Trilogy are as captivating as they are diverse. From fearless leaders burdened by their pasts to reluctant heroes striving to find their purpose, the cast of characters offers a range of compelling perspectives into the complex tapestry of this post-apocalyptic world.

Not only are the characters richly developed, but their growth and transformation throughout the series is also a major highlight. As they

navigate treacherous terrain and face unimaginable dangers, they must confront their deepest fears, confront their flaws, and forge their paths toward redemption.

A Winter Wonderland Filled with Danger

The winter setting in The Long Winter Trilogy is much more than a backdrop; it becomes a living, breathing character itself. The bone-chilling cold, blinding snowstorms, and sub-zero temperatures create a constant sense of peril. Surviving in this frozen wasteland requires resourcefulness, bravery, and a bit of luck.

But the danger doesn't only come from the elements. The presence of rival factions vying for control, ruthless scavengers, and remnants of the old world continually test the survivors' mettle. With each chapter, the tension mounts, and the reader is left on the edge of their seat, wondering who will make it out alive.

The Solar War: A Must-Read

The Solar War is the explosive finale that fans of The Long Winter Trilogy have been eagerly awaiting. Packed with breathtaking action, unexpected twists, and heart-wrenching moments, this book will take readers on an unforgettable rollercoaster ride of emotions.

As the battle for survival reaches its climax, friendships will be tested, alliances shattered, and sacrifices made. The fate of the world hangs in the balance, and the outcome is uncertain till the very end.

If you are a fan of post-apocalyptic fiction, complex characters, and immersive world-building, The Solar War The Long Winter Trilogy is an

absolute must-read. Brace yourself for an epic adventure like no other as you join the survivors in their fight for hope and humanity in the darkest of times.

* Now a Wall Street Journal bestseller! *

We thought the war was over.

We were wrong.

They decimated Earth during the Long Winter. Now the grid has returned, and they won't stop until the human race is extinct.

On a ruined world, humanity's last survivors fight against impossible odds. In their darkest hour, they discover a new hope for survival. But it comes at an unthinkable price, with consequences that will change everything.

“This is apocalyptic sci-fi at its best.”

—Daily Mail

Note: The Solar War is the second book in The Long Winter trilogy (which began with Winter World).

Filled with real science and shocking twists readers have come to love in the series, The Solar War will keep you up late into the night turning the pages—and leave you pondering the revelations long after it's over.

Selected Praise For A.G. Riddle

“...reads like a superior collaboration between Dan Brown and Michael Crichton.”

—The Guardian on Pandemic

“I finished the book fast because I just couldn't wait...”

—WIRED GeekDad on Departure

“Riddle... keep(s) the focus on his characters... rather than the technological marvels”

—Publisher's Weekly on Departure

“Well-constructed and tightly-wound as a fine Swiss watch—DEPARTURE has non-stop action, an engaging plot and, of course, wheels within wheels.”

—Diana Gabaldon, #1 New York Times bestselling author of Outlander

An Extended Look at The Solar War

After the Long Winter, Emma Matthews and James Sinclair hoped life would get back to normal. They've settled down in Camp Seven and welcomed their first child, a daughter. And they have waited and watched the sky for any signs of the grid's return.

When NASA discovers that several asteroids have broken from the Kuiper Belt and are headed for Earth, James instantly realizes the truth: the grid is back. And this battle will be one to the very end.

As he and his team prepare for humanity's last stand in space and on the ground, Emma makes a discovery closer to home, one that will change life for her and James once again.

With war raging around them, Emma and James fight to keep their family alive. In the cold darkness, humanity splinters. New alliances emerge. At every turn, Emma and James face new dangers—and question whom to trust.

Just when it seems that all hope is lost, James uncovers what may be the key to humanity's survival. But it comes with enormous risks. To implement his plan, he and Emma will have to survive the grid and another, even more deadly enemy. One thing is certain: their gambit will change the future of the human race forever.
