One of the most exciting new sagas in epic fantasy, The Demon Cycle became a phenomenon with readers and launched the brilliant career of New York Times bestselling author Peter V. Brett. Now start from the beginning with all five novels in one convenient ebook bundle:

THE WARDED MANTHE DESERT SPEAR
THE DAYLIGHT WAR
THE SKULL THRONETHE CORE

As darkness falls after sunset, the corelings rise—demons who possess supernatural powers and burn with a consuming hatred of humanity. For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile.

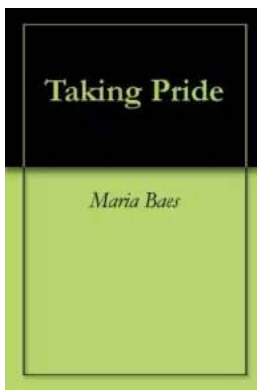

It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault.

Now, with hope for the future fading, three young survivors of vicious demon attacks will do the unthinkable, stepping beyond the crumbling

safety of the wards to risk everything in a desperate quest to regain the secrets of the past.

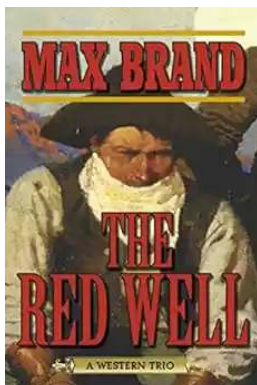

Arlen Bales will pay any price, embrace any sacrifice, for freedom, and his grim journey will take him beyond the bounds of human power. Crippled by the demons that killed his parents, Rojer Inn seeks solace in music, only to discover that his instrument can be a weapon as well as a refuge. Wanting to cure the sick and injured, Leesha Paper overcomes great hardship to become a guardian of old world science, learning that what heals can also harm. Together, they will stand against the night.

“Inspired, compelling, [The Demon Cycle is] the most significant and cinematic fantasy epic since The Lord of the Rings.”—Paul W. S. Anderson, director of Alien vs. Predator
