Daisy. Daisy. Daisy.

From the moment her name is spoken, it is all I can hear. Her frightened tears bring me anger. I vow to wipe them off her face and banish her fear. To make her my queen.

But I have to catch her first.

I have to convince her to trust me.

I have to show her she is safe.

But only with ME.

Because if any other naga male tries to take Daisy away from me, I will kill them.

And if she runs?

She'll find out there's no escape.

I've paid the price to mate her, and she needs to know a gilded nest is better than freedom in my world.
