Jane Doe is a weredeer, the least-threatening shapechanger species in the world. Blessed with the ability to turn furry at will and psychically read objects, Jane has done her best to live a normal life working as a waitress at the Deerlightful Diner. She has big dreams of escaping life in the supernatural-filled town of Bright Falls, Michigan, and her eighteenth birthday promises the beginning of her teenage dreams coming true.

Unfortunately, her birthday is ruined by the sudden murder of her best friend's sister in an apparent occult killing. Oh, and her brother is the primary suspect. Allying with an eccentric FBI agent, the local crime lord, and a snarky werecrow, Jane has her work cut out for her in turning her big day around.

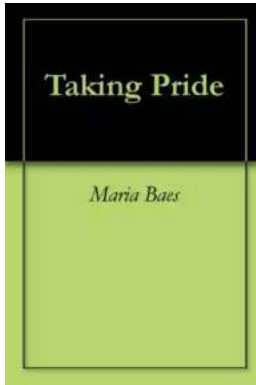

Thankfully, she's game.
